Certification Services

A Project of
GJEPC
INDIA
Sponsored by Ministry of Commerce & Industry
Govt. of India

Independent certificates are key drivers of gems and jewellery business. Certification is an assurance of authenticity, quality, and transparency.

IIGJ Lab combines expertise with cutting- edge technology like as LA-ICP-MS, FTIR, Raman, UV-Vis-NIR, EDXRF, SynthDetect AMS2 and other advanced gemmological instruments to deliver accurate, unbiased reports. IIGJ Lab issues reports as below:

Coloured Gemstone Certification

Identifies natural, lab-grown, or a simulant, and any treatment used to modify its colour or clarity.

Loose
Packet lots
Strings

Origin Determination

Determines origin of emerald, ruby and sapphire.

Emerald
Ruby
Sapphire
