

Diamond Jewellery Grading

- Jewellery pieces undergo advanced screening before grading.
- Screening determines whether diamonds are natural, lab-grown, or simulants.
- Ensures accurate, reliable grading results.

Total Weight per Item	Rate (per Carat)
Up to 25 carats	₹450 + GST
25 to 50 carats	₹350 + GST
Above 50 carats	₹250 + GST

Minimum Charge: ₹450 per item + GST.
Report Issuance: ₹50 + GST (Postcard size).

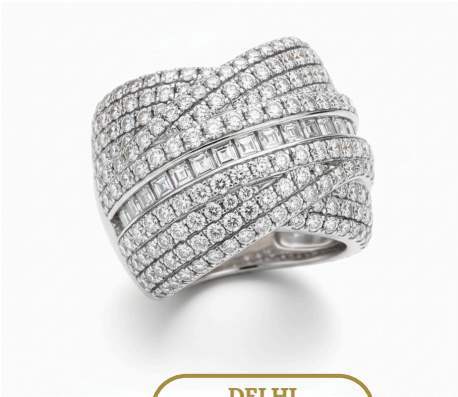

Diamond Jewellery Grading

- Uses state-of-the-art screening technology for diamond identification.
- Detects whether studded stones are natural, lab-grown, or simulants.
- Applicable to all jewellery types, including traditional jadau pieces.

Charges (Inclusive of GST):

Necklaces: ₹1,050 per item
All Other Items: ₹525 per item
